Manuscripts Under Review and In Preparation

Karan, A., APPC 2018-2019 ASK Group, & Albarracin, D. (revise and resubmit). Longitudinal pathways to flu vaccination as a function of social disadvantages

Robbins, M. L., **Karan, A.**, & Mason, A. (revise and resubmit). The everyday social context of people in same- and different-gender romantic relationships

Tan, J. J. X., **Karan, A.**, & Albarracin, D. (submitted). Internal and social sources shape judgments about the mental and physical nature of an experience.

Karan, A., Gray, J. S., & Robbins, M. L. (in prep). Everyday behaviors predict sexual desire through interdependent, rather than personal, feelings.

Robbins, M. L., Tran, B. & **Karan, A.** (in prep). Momentary alcohol use across same- and opposite-sex romantic couples.

Manganiello, A., **Karan, A.**, Horton, C., & Murray, C. (in prep). Meta-analysis across experimental manipulations of system justification.

Karan, A., Manganiello, A., & Murray, C. (in prep). System justification differs in protecting self- and collective-self esteem across ethnic groups.

Presentations

Karan, A., APPC 2018-2019 ASK Group, & Albarracin, D. (2020, February). Longitudinal pathways to flu vaccination as a function of social disadvantages. Flash talk at the annual Social, Personality, and Health Preconference, New Orleans, Louisiana.

Karan, A. & Robbins, M. L. (2019, February). Social interactions are more positive for lesbian and gay than heterosexual couples. Flash talk at the annual Close Relationships Preconference, Portland, Oregon.

Robbins, M. L. & **Karan, A.** (2019, February). Daily alcohol use, affect, and stress, among lesbian, gay, and heterosexual couples. Flash talk at the annual Social, Personality, and Health Preconference, Portland, Oregon.

Karan, A. (2018, October). Examining well-being in close relationships: Multimethod approaches to inform interventions. Social/Personality area Brown Bag presentation at UCR.

Chiarello, C., Macbeth, A., Bruni, M., Atagi, N., Mech, E., Sarkis, J., Montag, J., **Karan, A.**, & Robbins, M. (2018, November). Lend me your EAR: An experience sampling method to investigate natural speech. Presentation at Psychonomic Society Annual Meeting, New Orleans, Louisiana.

Atagi, N., Mech, E., Macbeth, A., Bruni, M., Sarkis, J., Montag, J., **Karan, A.**, Robbins, M. L., & Chiarello, C. (2018, November). The effects of literacy experiences on bilinguals' everyday speech. Presentation at Psychonomic Society Annual Meeting, New Orleans, Louisiana.

Karan, A., & Robbins, M. L. (2017, November). Empathic accuracy as a link between language and satisfaction in romantic couples. Social/Personality area Brown Bag presentation at UCR.

Karan, A., & Robbins, M. L. (2017, November). Romantic partners may influence health more among same-sex compared to different-sex couples. Flash talk at the UC Intercampus Consortium on Health Psychology, Lake Arrowhead, California.

Karan, A. & Robbins, M. L. (2017, June). Using a multimethod, ambulatory approach to studying the quality of same- and different-sex romantic relationships. Presentation at the Dynamic Systems Preconference for the Society for Ambulatory Assessment Conference, Luxembourg.

Nicholaides, C., Sillars, A., **Karan, A.**, Wright, R. C., Robbins, M. L., & Davis, E. L. (2017, April). What's so funny?: Sense of humor and using humor in specific ways jointly predict people's use of emotion regulation strategies. Presentation at annual Western Psychological Association meeting, Sacramento, California.

Karan, A., Rosenthal, R., & Robbins, M. L., (2017, March). A meta-analytic approach to we-talk and positive functioning in romantic couples. Presentation at the UC Well-Being Conference, Riverside, California.

Karan, A., Gray, J. S., & Robbins, M. L. (2017, March). Let's talk about (the factors that predict) sex (and sexual desire). Social/Personality area Brown Bag presentation at UCR.

Karan, A., Rosenthal, R., & Robbins, M. L. (2017, January). We-talk reflects better well-being: A meta-analytic review. Datablitz presentation at the annual Close Relationships preconference, San Antonio, Texas.

Robbins, M. L., **Karan, A., & Wright, R. C.** (2016, August). Everyday Social Interactions among Couples Coping with Breast Cancer. Presentation at the Dynamic Systems Modeling meeting, Aberdeen, Scotland.

Robbins, M. L., **Karan, A., & Wright, R. C.** (2016, July). The Importance of Everyday Conversations among Couples Coping with Breast Cancer. Presentation at the semi-annual meeting of the International Association for Relationships Research, Toronto, Canada.

Karan, A., Rosenthal, R., & Robbins, M. L. (2016, April). You Can't Spell Well-Being without We: A Meta-Analysis on First-Person Plural Pronoun Use in Romantic Relationships. Social/Personality area Brown Bag presentation at UCR.

Karan, A., Wright, R. C., & Robbins, M. L. (2016, January). Word use as a reflection of dyadic adjustment in couples coping with breast cancer. DataBlitz presentation at the annual Social and Personality Health Network preconference, San Diego, California.

Poster Presentations

Karan, A., Tan, J. J. X., & Albarracin, D. (April, 2020) Everyday experiences are predicted by mental and physical mindsets. Poster presentation at the Midwest Psychological Association annual conference, Chicago, Illinois.

Karan, A. (February, 2020). Emotions vary by couple composition and gender: Assessing factor structures of emotions. Poster presentation at the annual Society for Personality and Social Psychology meeting, New Orleans, Louisiana.

Karan, A., Gray, J. S., & Robbins, M. L. (February, 2019). Everyday behaviors predict sexual desire through interdependent, rather than personal, feelings. Poster presentation at the annual Society for Personality and Social Psychology meeting, Portland, Oregon.

Bruni, M., Macbeth, A., Atagi, N., Mech, E., Sarkis, J., Montag, J., **Karan, A.,** Robbins, M. L., & Chiarello, C. (2018, November). Does self-report predict bilingual language use? Presented at Psychonomic Society, 59th Annual Meeting, New Orleans.

Macbeth, A., Bruni, M., Mech, E. N., Sarkis, J. T., **Karan, A.,** Robbins, M. L., & Chiarello, C. (2018, August). Using the EAR to track bilingual language. Society for Neurobiology of Language Annual Meeting, Quebec City, Canada.

Karan, A. & Robbins, M. L. (2017, June). Does quantity equate quality? An exploration of differing sampling rates use the Electronically Activated Recorder (EAR). Poster presentation at the Society for Ambulatory Assessment Conference, Luxembourg.

Karan, A., Rosenthal, R., & Robbins, M. L. (2017, January). We-talk reflects better well-being: A meta-analytic review. Poster presentation at the annual Society for Personality and Social Psychology meeting, San Antonio, Texas.

Karan, A., Robbins, M. L., & Rosenthal, R. (2016, April). We-talk reflects better well-being: A meta-analytic review. Poster presentation at the annual Western Psychological Association conference, Long Beach, California.

Karan, A., Wright, R. C., & Robbins, M. L. (2016, January). Word use as a reflection of dyadic adjustment in couples coping with breast cancer. Poster presentation at the annual Society for Personality and Social Psychology conference, San Diego, California.

Mentoring

Supervise 3 undergraduate research assistants
Fall 2019 - Present

Supervise 30 undergraduate research assistants
Fall 2014 – Spring 2019

Graduate student mentor for independent student project at UCR, Christian Garcia
Project title: Associations between personality, age, and word use.
Summer 2017

Graduate student mentor for Chancellor’s Research Fellowship at UCR, Matthew Leitao
Project title: Vocal tone and emotion among women coping with breast cancer.
Fall 2015

Teaching

Instructor for Social Communication in the Age of Digital Media at University of Illinois, Urbana-Champaign
Combined Undergraduate and Graduate Course
Spring 2020

Teaching assistant for Health Psychology at UCR (average effectiveness: 6.40/7.00)
Instructors: Megan Robbins, Dietlinde Heilmayr, Kristina Mouzakis
Summer 2018, Winter 2018, Fall 2016, Summer 2016

Teaching assistant for Psychological Methods at UCR (average effectiveness: 6.67/7.00)
Instructor: Megan Robbins
Spring 2018, Spring 2017

Teaching assistant for Psychological Statistics at UCR (average effectiveness: 6.72/7.00)
Instructor: Dan Ozer
Fall 2017

Guest lecture on Social Relations: Prejudice, Romantic Relationships and Altruism for
Introduction to Psychology
Instructor: Elizabeth Davis
February 2017.

Teaching assistant for Introduction to Psychology at UCR (average effectiveness: 6.45/7.00)
Instructor: Elizabeth Davis
Winter 2017

Teaching assistant for Personality Psychology at UCR (average effectiveness: 6.40/7.00)
Instructor: David Funder
Spring 2016

Guest Lecture on Social support and adherence for Health and Behavior Change
Instructor: Megan Robbins
Fall 2015

Teaching assistant for Social Psychology at UCR (average effectiveness: 6.10/7.00)
Instructor: Kate Sweeny
Fall 2015
